Friday, April 21, 2017

9:00 -4:00 - 6 CEUs

Norma Olvera, DDS, MS....*Dr. Norma Olvera received her Bachelor of Science Degree from the Incarnate Word College in San Antonio in 1978, her DDS degree, a certificate of Prosthodontics, and finally her Master's in Prosthodontics all from the University of Texas Health Science Center-San Antonio (UTHSC-SA). Her career has seen her with many academic appointments including being the Undergraduate Didactic Dental Implantology Course Director from 1997 through 2003. Currently she is the Director of the Implant Clinic Department of Comprehensive Dentistry at UTHSC-SA School of Dentistry. Beyond her dental license, she has many other academic accomplishments including being certified in the American Heart Association's CPR/Basic Life Support and Medical Technology-American Society of Clinical Pathologist. While maintaining a Staff Dental Practice in Prosthodontics at UTHSC-SA, Dr. Olvera also is involved in and loves being an instructor/Director at her Alma Mater. You loved her before and requested her return, so back by very popular demand, Dr. Olvera is bringing to you three new topics from the plethora of subjects upon which she lectures. Although she is a researcher, lecturer, and author, Dr. Olvera is most remembered for her warm, down-to-earth, easy style of speaking---come RE-enjoy learning!*

"Dental Care for the Autistic Patient" (Friday, April 21, 2017; 9:00 – 12:00, 3 CEU's)

Goals and Objectives:

- 1) Define autism
- 2) Recognize signs and symptoms
- 3) Assess patient's abilities to provide better patient care

4) Demonstrate appropriate home care

"Energy and Sports Drinks: Effect on Health Update" (Friday, April 21, 2017; 1:00 – 4:00, 3 CEU's) If you heard this course with Dr. Olvera before this course is an update from her first course.

Goals and Objectives:

Energy and sports drinks can have a negative impact on your health. What is the truth about energy and sports drinks regarding dental health? What information needs to be conveyed to our patients regarding dental health? What dental care professionals really need to know.
