

Omega Seminars Inc.
presents
“Sleep Apnea, Snoring and TMJ”

with

Dr. Chris Norton

Friday, Sept. 29, 2017 -9:00-4:00
Temple College Pavilion
Temple, TX 76504

Chris Norton, DDS, graduated from Baylor Dental School in 1984. He is a general dentist that limits his practice to orthodontics, TMJ, and Sleep Apnea. His primary interest can be termed “airway dentistry”.

He has combined general dentistry and orthodontics while practicing in Dallas, TX and Santa Fe, NM. In 2001, he decided to limit his practice to orthodontics only while practicing in Salt Lake City and McKinney, TX. Today he practices in West Texas with offices in Lubbock, Amarillo, Midland, Odessa and Big Spring.

Emphasis on healthy patients with attractive faces has pushed Dr. Norton to identify the cause of malocclusion, TMJ, snoring and sleep apnea. Treatment is dictated towards eliminating the cause and not just treating symptoms.

“Sleep Apnea, Snoring and TMJ Part I”... 9:00 - 12:00 - 3 CEUs Have you ever wondered why some people have straight teeth and other people have crooked teeth? Who is at risk for sleep apnea? Why do certain patients develop TMJ?

In this course we will try to identify the cause of these three maladies. You might be surprised to find the same root cause for all three. If you know the cause of a trouble, then you can aim your treatment at a cure rather than treating symptoms.

In this lecture you will learn what constitutes sleep apnea, snoring and TMJ. You will learn how to spot sleep apnea in your patients. We will try to demystify TMJ, so you can discuss intelligently what is going on in their bodies. You will be shown how we treat sleep apnea and TMJ.

We will select someone from the audience with TMJ trouble and start treatment on them at the lecture. We should see some healing in just a few minutes.

This will not be your normal lecture. You might consider bringing your doctor with you. We will have information for you should you wish to learn more on treating these types of patients.

"Sleep Apnea, Snoring and TMJ Part II" con't. 1:00 - 4:00 - 3 CEUs Join us for the afternoon as we continue to dive into and investigate sleep apnea, snoring and TMJ. Registrant need not attend Part I to come and participate in Part II.
