

# Bay Area Dental Hygienists' Association

## Presents

### **We hope everyone has had a wonderful summer!**

As COVID-19 continues to impact our daily lives and ability to gather, we are offering new virtual experiences so you still have access to CE opportunities and the quality education you expect from Omega Seminars. New topics, all day events, and shorter format webinars. And I will continue to have my same **door prize drawings for Coach purses!**

### *Kelly Parker; AM course*

**Saturday, October 17, 2020    3 CEUs**

Kelly Parker is on a mission to help healthcare professionals better understand and navigate regulatory compliance, government affairs issues and risks that can impact their practice. Former Executive Director of the Texas State Dental Board, Louisiana State Board of Examiners of Psychology and the very first Executive Director of the Louisiana Behavior Analyst Board, with a background in legal studies and executive leadership, Kelly is a seasoned and accomplished professional. Notably, she led and managed the Texas Blue Ribbon Panel on Dental Anesthesia/Sedation Safety and steered the board through the Sunset process.

Most recently, Kelly is working with dental groups and dental associations nationwide regarding regulatory mandates, legislative initiatives and legal compliance issues. She monitors board meetings, participates in regional dental advocacy meetings, participates in national advocacy efforts and advocates for dental issues annually in Day on the Hill in Washington, D.C.

Kelly is a Texas registered lobbyist and a 2017 graduate of the Governor's Executive Development Program through the University of Austin, LBJ School of Public Affairs. She holds an undergraduate degree in Criminal Justice and an ABA approved Paralegal degree.

***“My Practice is Compliant – But, Is It Really?” Managing compliance and risk management issues for continued success.***

**9am – 12pm 3 CEUs** Course Description Recommended for all team members

Dentistry does not look the same today as it did 50 years ago. Evolving practice models, organized dental groups, ever-changing, laws and rules, federal standards...all of these areas impact the multi-faceted approach to risk management. This course is designed for all team members for the purposes to elevate and empower the entire team by providing a new and fresh perspective on the basics from a regulatory perspective.

***Objectives***

- Discuss and review record keeping, record retention and Custodian of Records requirements.
- Discuss and review Texas anesthesia regulations and requirements.
- Discuss and-review Texas Radiation regulations and requirements.
- Discuss and review basic OSHA requirements with focusing on new OSHA guidance for pandemics.
- Discuss and review Prescription Monitoring Program requirements.
- Identify ways to streamline compliance in the dental office.

*Lisa Wadsworth, RDH and Cher Thomas, RDH; PM Course*

**Saturday, October 17, 2020 3 CEUs**

**Lisa Wadsworth, RDH, BS**

Lisa owns her own company, Lisa C. Wadsworth Inc. a business focused on coaching and education for the entire dental team on Periodontal protocol, Implant dentistry, the patient behind the disease and ergonomics. With over three decades of experience in the implant and periodontal arena Lisa also works as “Director of Team Development” for an East coast based dental service organization. Lisa has received Fellowship status with the Association of Dental Implant Auxiliaries, is recognized by Hu-Friedy as a Thought Leader and by Sonicare as a “Key Opinion Leader”. Lisa enjoys lecturing on a national scale; topics specific to Periodontal Protocol and the importance of communication to patient management and case acceptance. Lisa has been recognized by Dentistry Today as one of the Top 100 CE Speakers for the last nine years. Lisa enjoys writing and had the opportunity to be a contributing editor for Modern Hygienist, a contributor for RDH magazine, Dentistry IQ, Dental Assisting Digest, The Profitable Dentist, and Dentistry Today in the “Hygiene Today” publication.

**Cher Thomas, RDH**

Cher Thomas, RDH is a Registered Dental Hygienist and a renal transplant recipient. Cher is a published author, international public speaker, and renal and cancer advocate. She graduated from Richland College in 1991 with an AAS in liberal arts and dental hygiene school at Tarrant County College in 1993. She has performed as both a dental hygienist and dental assistant in general dentistry, pediatric dentistry, periodontal practices, and public health dentistry. She was in the degree completion program at Texas Women’s University when her kidneys failed.

In 2005, she received the Sunstar Butler Award of Distinction in Dental Hygiene and is currently a practicing dental hygienist in a private practice in Galveston, Texas.
